

LED Strip Lighting

Twenty-five references covering the whole strip lighting job: the tape itself, the controller and power supply kits that make it a sellable product, and the extruded profiles that turn it into linear lighting.

25 references. Every figure below is reproduced from the manufacturer's own documentation for that reference; where a table is absent, no specification was published.

CRST-5050W6024-20

LED Strip Lighting

No specification table was published for this reference. Ask and the current sheet will be emailed.

SMD 3528 60leds strip non-waterproof

LED Strip Lighting

No specification table was published for this reference. Ask and the current sheet will be emailed.

SMD 5060 strip 60leds IP68

LED Strip Lighting

PCB color	white or yellow board.
Beam angle	120 degree.
Lift span	50000 ~ 80000 hours.
IP68	Solid silicon waterproof (with silicon cover on the back and silicon gel filled from the top).
Available Color	White, Warm White, Red, Green, Blue, Yellow, RGB

Solar led strip light

Solar LED Strips

No specification table was published for this reference. Ask and the current sheet will be emailed.

Blister Led strips kits

LED Strip Kits

LED Type	White
Voltage	12Vdc
Beam Angle	120°

Blister RGB kits

LED Strip Kits

LED Type	RGB
Voltage	12Vdc
Beam Angle	120°

Color box led strips kits

LED Strip Kits

LED Type	White
Voltage	12Vdc
Beam Angle	120°

Color Box RGB Kits

LED Strip Kits

LED Type	RGB
Voltage	12Vdc
Beam Angle	120°

Portable Waterproof Camping Strip 1.5m

LED Strip Kits

No specification table was published for this reference. Ask and the current sheet will be emailed.

SMD3528 Led USB Strip Light Unwaterproof

LED Strip Kits

No specification table was published for this reference. Ask and the current sheet will be emailed.

10mm deep CRST-LL-21 LED Linear Lights with flange

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

10mm deep CRST-LL-22 LED Linear Lights without flange

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

15mm recessed CRST-LL-05 LED Linear Lights

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

big size CRST-LL-24 LED Linear Lights

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

big size CRST-LL-30 LED Linear Lights

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

Big size CRST-LL-31 LED Linear Lights

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

Big size CRST-LL-32 LED Linear Lights

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

big size CRST-LL-38 LED Linear Lights

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

CRST-LL-01 Linear Lights

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

CRST-LL-04 LED Linear Lights with flange

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

CRST-LL-08 LED Linear Lights for corner lighting decoration

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

CRST-LL-29 Linear Lights

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

Round CRST-LL-10 LED Linear Lights for Pendant Lights

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

Square CRST-LL-07 LED Linear Lights for corner lighting decoration

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.

Super slim 8mm recessed CRST-LL-02 LED Linear Lights

Aluminium LED Profiles

No specification table was published for this reference. Ask and the current sheet will be emailed.
