

LED Tube Lights

Three T8 tube references in the standard fluorescent lengths, for buyers replacing fluorescent tubes in ceilings and workshops without changing the fitting.

3 references. Every figure below is reproduced from the manufacturer's own documentation for that reference; where a table is absent, no specification was published.

1200mm led T8 SMD tube

LED Tube Lights

No specification table was published for this reference. Ask and the current sheet will be emailed.

1500mm led T8 SMD tube

LED Tube Lights

No specification table was published for this reference. Ask and the current sheet will be emailed.

600mm led T8 SMD tube

LED Tube Lights

No specification table was published for this reference. Ask and the current sheet will be emailed.
