

Legging And Activewear Catalogue

112 styles across 7 categories. Item numbers are the factory's own references. Quote them in your enquiry and we will price against them directly.

Minimum order 300 pcs for a run. Polyester and spandex across the range. OEM production: your own labels, packing and size chart from the first order. Fabric weights and composition splits are not published and are confirmed at the sample stage.

Category	Styles	What it is
Printed Leggings	30	All-over printed leggings in polyester and spandex, made to order for buyers who sell on pattern rather than on plain black.
Yoga Leggings	21	Training leggings in polyester and spandex for buyers stocking studio, gym and everyday active ranges.
Jean Leggings	20	Denim-look leggings, cut and printed to read as jeans while pulling on like a legging, for buyers selling comfort at a denim price point.
Leather Leggings	19	Coated wet-look leggings that read as leather on the rail, made in polyester and spandex for evening, party and winter ranges.
Digital Print Leggings	9	Leggings carrying digitally printed artwork, aimed at buyers who need photographic or fine-detail designs rather than simple repeats.
Plus Size Leggings	9	Leggings cut for plus size ranges, so buyers can carry the same prints and finishes across their whole size offer.
Yoga Sets	4	Matched top and bottom sets made in the same fabric and colour run, for buyers who sell an outfit rather than a single piece.

Printed Leggings

All-over printed leggings in polyester and spandex, made to order for buyers who sell on pattern rather than on plain black.
