

Hydrogen-Oxygen Generator

Model H2/O2 Series · specification sheet

Advanced hydrogen-oxygen wellness generator producing a controlled flow of high-purity hydrogen and oxygen through electrolysis — quiet, stable and easy to use.

Model	H2/O2 Series
Build type	Machine / accessory
Dimensions	318 × 318 × 625 mm
Capacity	Wellness gas generator
Lead time	10–30 days (after testing)
Shipping	Sea / air freight, worldwide
MOQ / OEM	1 unit · OEM, ODM & colour customise

Key features

- High-purity hydrogen output
- Stable, consistent gas flow
- Advanced electrolysis technology
- Intelligent one-touch control
- Quiet, low-noise operation
- Compact & modern design
- Easy daily operation

Overview

The Oxygen Times Hydrogen-Oxygen Generator produces a controlled flow of hydrogen and oxygen gas through an advanced electrolysis system. During operation, purified water is separated to generate hydrogen-rich, oxygen-containing gas, delivered through a dedicated output for convenient everyday use. Designed around stable output, precise control, quiet operation and everyday convenience, it offers a simple way to bring hydrogen-oxygen technology into a modern wellness routine. Available in six models (900C03 to 4500C02) with hydrogen output from 200 to 3000 ml/min and oxygen from 100 to 1500 ml/min, AC110V 60Hz / AC220V 50Hz, noise ≤45–49 dB.

Quality control before shipment

- Pressure testing before dispatch
- Airtightness inspection
- Functional performance testing
- Appearance inspection
- Export packaging inspection

Certifications

TBC — no certificate numbers or issuing bodies are published for this model. Request the current certification position for your market from the factory before ordering.

Ordering

Minimum order	1 unit, including colour customisation
Lead time	10-30 days after quality testing, confirmed at order
Freight	Air freight 7-10 days, sea freight 4-6 weeks
OEM / ODM	Logo, colour, packaging, manuals, accessories, pressure configuration, destination electrical standard
Warranty	1 year, extendable by 2 further years
