How To Order

1. Send your model list

Model numbers, quantity per model, finish required and destination port.

2. Receive a quotation

Normally the same working day, Beijing time, with packing and lead time.

3. Approve a sample

Plastic samples free of charge. The approved sample becomes the colour reference.

4. Production

Typically 20 to 30 days after approval, depending on model and finish.

5. Packing and loading

Each piece bagged, cartoned, steel bars packed separately, carton counts recorded.
